NOTES

INTRODUCTION

This publication, previously known as *Publications Issued in [Month]*, is issued each month as a supplement to the annual *Catalogue of Publications and Products* (Cat. no. 1101.0), which lists current Australian Bureau of Statistics (ABS) publications and products and gives brief descriptions (abstracts) of their contents. A brief description of the contents of, changes to, and other information of interest about new publications and products appears at the back of this publication.

In addition, a *Release Advice* (Cat. no. 1105.0) is issued each Tuesday and Friday listing publications and products released on the day of issue and expected releases on the following four days. The information is also available daily on the ABS Internet service (<http://www.abs.gov.au>).

PUBLICATION PRICES

Prices include postage both within Australia and overseas (economy air).

SUBSCRIPTION SERVICE

Clients who wish to receive publications and products on a regular basis may use the ABS Subscription Service.

Clients who already use this service and who wish to change their requirements should quote their client identification number when contacting the ABS. The number is shown at the top left hand corner of the address used to dispatch publications to clients.

When due, renewal notices are sent to all subscribers. Payments are required in advance and should accompany renewal notices returned to the ABS.

NEW PUBLICATIONS AND PRODUCTS RELEASED IN FEBRUARY 1998

4398.0	<i>Causes of Infant and Child Deaths, Australia, 1982 to 1996</i> (\$18.00)
	Contains a time series showing the trend and changing patterns of causes of infant and child mortality in Australia by socio-demographic characteristics for the years 1982-96. The levels and trends in causes of infant deaths are examined according to its two major components: neonatal and postneonatal deaths.
4801.0	<i>National Nutrition Survey: Users' Guide, 1995</i> (\$33.00)
	Contains information about the concepts and methods used in sampling, data collection and processing the 1995 National Nutrition Survey. Also included is a complete list of output data items and associated material to assist users in specifying data requirements.
8696.0	<i>Community Services, Australia, 1995-96</i> (\$21.00)
	Contains summary data on expenditure on community service activity by the government and private sectors. Data are presented by type of community service activity, by State/Territory and by type of organisation providing the service. Also contains data on income, items of expense, employment, unpaid volunteers and the following community services industries: child-care services, accommodation for the aged, residential care, non-residential care, nursing homes and peak bodies.
2030.3	<i>Brisbane ... A Social Atlas, 1996</i> (\$45.00)
	Social Atlas series present colour maps of the key social, demographic and economic characteristics of each capital city, at the time of the 1996 Census. The maps are easy to interpret as the distribution of the data is represented by different colours or shadings. A brief commentary explaining the main features and characteristics also accompanies each map.
	Social Atlas series has a common core set of maps including population, ethnicity, education, families, income, labour force and dwellings. Each Social Atlas also includes maps that highlight any unique attributes pertaining to that particular capital city.
2028.6	<i>Census of Population and Housing: Launceston Suburbs, 1996</i> (\$21.00)
	Contains major population census characteristics for Launceston suburbs. Tables show characteristics of persons (e.g. age, marital status, religion, labour force status), families and dwellings. Also includes a summary of characteristics table, population comparisons for previous Censuses and an extensive main features section.
